

# **TRAINING EVENT “ DIGITAL SKILLS 4 ALL“**

**09 – 16 JANUARY 2020**

**Parnu, Estonia**

## TRAINING EVENT “ENTREPRENEURSHIP 4 YOUTH “

### **Aims:**

- To reflect adult educators’ role in relation to digital approaches;
- To empower adult educators to fully exploit all the potentials of digital education and ICT tools to deliver basic skills education;
- To improve adult educators’ knowledge of usage of different digital tools making them understand what kind of skills are needed in different contexts;
- To provide adult educators with appropriate training opportunities for further developing their professional knowledge, skills and competences;
- To enhance mutual learning and share of good practices;

The first aim of this training event is to check if participants through their participation to project activities (first training event (C1) and e-learning modules (IO1)) learned the skills needed to deliver basic digital skills education to low-skilled or low-qualified adults. The second aim is to push participants to contribute through the sharing of good practices, recommendation and creation of new educational resources during the project to the development of the Digital Guide of best practices (IO3). The course will take 6 days and in the course both theory and practice will be taught. All the best practices and recommendations generated by project participants will be inserted and mentioned in the Digital Guide (IO3).

### **PROFILE OF PARTICIPANTS:**

**We are looking for 5 participants per country with the following profile:**

- ✚ Good level of English
- ✚ Age limit is 30 + years old
- ✚ Interested in in getting better understanding of digital skills and integrating it in their daily work
- ✚ Personal beliefs and attitudes (interest in actions of providing guidance to others and interacting effectively in a multicultural context, effort to generalize non stereotyped behavior and to avoid prejudice)

## HOSTING ORGANIZATION:

Nooruse Maja is a non-profit organization based in Pärnu, summer capital of Estonia, 130km from Tallinn and 190km from Riga, on the Baltic shore. Nooruse Maja is a cultural house that provides many opportunities for the local community but also with many people we have contact with over the world.

As you will see if you decide to get to know us, we are more than just a cultural house, we are also a gateway to Europe, a people's university, a place to talk about your project, to share and meet with new people. You are welcome in our place whatever your age can be, whatever language you speak, whatever you want to learn or to teach. To make it short here you can learn, enjoy and share with different kind of people.

In the last 10 years we could collect a lot of experiences with youth work, trainings and the Erasmus+ initiative. We have created a lot of projects by ourselves but also joined projects from cooperation partners.

## **TRAVEL COSTS and REIMBURSEMENT**

All costs related to traveling from home country to Parnu and back will be organized by the Sending organizations from Italy, Portugal, and Bulgaria.

The participants are allowed to stay maximum 2 days extra before or after the project duration on their own expences. For example if you would like to spend some extra time to discover the country you are allowed to arrive and depart as the follwoing ( 07 or 08 of January 2020 and leave maximum on 17 or 18 of January 2020).

It's not allowed to combine this 2 extra days before and after and spend 4 days in row out of the project dates.

## **ABOUT PARNU**

Location: South- West Estonia

Area: 33,15 km<sup>2</sup>

From Tallinn to Pärnu 128 km. From Riga to Pärnu 180 km

Population: 40 136 (02.01.2019)

Why to visit Pärnu?

The rich history of Pärnu and the joyful daily life offer something for everyone. The centre of Pärnu, the lovely parks and the resort area with its famous sandy beach and promenade invite you for long walks. There are sights to be seen dating to the distant Middle Ages, the elegant early years of the resort, the long Soviet era as well as the modern times with their fast-paced development.

We also recommend you to take a tour outside the city. The coast full of islets, pine dune forests and natural sand beaches, vibrant fishing culture, and bogs and indigenous forests is waiting for the curious-minded. There are lovely (fishing) villages, churches, manor complexes, museums, and valuable wildlife everywhere.
